Subject: A resolution approving a Grant Agreement (No. FM1099) between the City of Tampa and the Department of Financial Services, an agency of the State of Florida, in the amount of \$290,000 for the purchase of a rescue/marine unit vehicle.
Resolution / Ordinance Title: A resolution approving a Grant Agreement (No. FM1099) between the City of Tampa and the Department of Financial Services, an agency of the State of Florida, in the amount of \$290,000 for the purchase of a rescue/marine unit vehicle; authorizing execution by the mayor and attestation by the city clerk; providing an effective date.

BACKGROUND:

The State of Florida Department of Financial Services awarded \$290,000 of funding to the City of Tampa as part of Line 2479A of the General Appropriations Act for the 2023-2024 State fiscal year. The funds appropriated to the City of Tampa were carried forward through the 2025-2026 State fiscal year pursuant to Section 74 of chapter 2025-199, Laws of Florida. The State of Florida Department of Financial Services and City of Tampa previously entered into Grant Agreement No. FM924, related to that appropriation and the Parties intend to repeat and reiterate each Parties' rights and responsibilities in Revised Grant Agreement No. FM1099. Grant Agreement No. FM924, which expired June 30, 2025, was originally approved by City Council on October 17, 2024.

It is necessary to enter into a revised grant agreement (No. FM1099) between the City and the Department of Financial Services to accept grant funding and the terms of the agreement in the amount of \$290,000. The Revised Grant Agreement (No. FM1099) with a performance period ending on June 30, 2026, may be continued at the discretion of the Department for an additional one-year term if the funds are reappropriated by the Florida State legislature.

There is no match requirement for this grant. A financial resolution was already completed for this grant. This resolution lists no fiscal impact as no additional grant funds above the original \$290,000 have been awarded.

FISCAL IMPACT: No
